# NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE FINANCIAL YEAR ENDED 30 JUNE 2018

## 1. Notes

### a. *Basis of Accounting*

The financial report is a general purpose financial report, which has been prepared in accordance with the Fund's Constitution and the requirements of the Corporations Act 2001, which includes applicable Accounting Standards. Other mandatory professional reporting requirements have also been complied with.

The financial report has been prepared on an accruals basis and is based on historical cost, except for the valuation of investments in financial assets, which are valued at fair value or amortised cost. Cost is based on the fair values of consideration given in exchange for assets.

#### *Adoption of New and Revised Accounting Standards and Interpretations.*

The Fund has adopted all new and revised Accounting Standards and Interpretations in the current year.

The following Standards and Interpretations which have been issued by the AASB may affect the Fund. The Fund has adopted or plans to adopt these standards on their effective date.

*AASB 9 Financial Instruments*: Effective 1 January 2018. Includes requirements for the classification and measurement of financial instruments and at this stage it is not expected to have a material financial impact on the financial statements.

*AASB 15 Revenue from Contracts with Customers*: Effective 1 January 2018. Including recognising revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects

to be entitled in exchange for goods or services. It is not expected to have a material financial impact on the financial statements.

*AASB 16 Leases*: Effective 1 January 2019. This standard will replace the current accounting requirements applicable to leases in AASB 117. It introduces a single lessee accounting model that eliminates the requirement for leases to be classified as operating or finance leases and is not expected to have a material impact on the financial statements.

### b. *Statement of Compliance*

The financial report complies with Australian Accounting Standards and International Financial Reporting Standards (IFRS).

### c. *Portfolio Valuation*

#### *Financial Assets*

Loans and Advances are valued at fair value. Deposits at call are classified as Cash Deposits and are valued at fair value.

#### *Financial Liabilities*

Liabilities are recognised for amounts payable in the future for goods and services received, whether or not billed to the Fund.

### d. *Investment Revenue*

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured. Specific revenues are recognised as follows:

#### *Interest Revenue*

Interest on deposits on call is recognised in accordance with the terms and conditions that apply to the deposit on an accruals basis.

Interest on mortgages is recognised on an accruals basis throughout the term of the loan.

**e. Cash Assets**

For the purposes of the Statement of Cash Flows, cash and cash equivalents includes deposits held at call with a bank or financial institution.

**f. Receivables**

Receivables include amounts where settlement has not yet occurred. Interest is accrued at the reporting date from the time of the last payment. Amounts are generally received within 30 days of being recorded as receivables.

**g. Payables**

Payables are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the Fund and include distributions payable. The carrying period is dictated by market conditions and is generally less than 30 days.

**h. Taxation**

Under current legislation, the Fund is not subject to income tax provided the investors are presently entitled to the income of the Fund and the Fund fully distributes its taxable income.

Expenses incurred by the Fund are recognised at their GST exclusive amount. Amounts recognised as receivables and payables are recognised at their GST inclusive amount. Reduced input tax credits recoverable by the Fund from the ATO are recognised as receivables.

**i. Distributions**

In accordance with the Fund's Constitution, the Fund fully distributes its distributable income to investors. Distributions are payable at the end of each quarter. Such

distributions are determined by reference to the operating income of the Fund.

**j. Terms And Conditions On Investors**

Each interest issued confers upon the investors an equal interest in the Fund. An investor does not have any interest in any particular asset or investment of the Fund. Investors have various rights under the Constitution and the Corporations Act 2001, including the right to:

- have their interests redeemed,
- receive income distributions,
- attend and vote at meetings of investors, and
- participate in the termination and winding up of the Fund.

The rights, obligations and restrictions attached to each investor are identical in all respects.

The responsible entity, Murdoch Clarke Mortgage Management Ltd, is entitled to receive a fee of up to 2.20% GST inclusive of the total value of assets of the fund as stated in the product disclosure statement. The rate paid to the responsible entity was 1.1% (2017: 1.1%) GST inclusive. The management fees are deducted from the income of the Fund. There are no other fees, commissions, benefits or advantages derived by the Responsible Entity in connection with the management of the Fund.

The Responsible Entity holds no interests in the Fund.

### b. Key Management Personnel

The Directors of the Responsible Entity, as listed above, are the key management personnel of that entity. The Responsible Entity and its directors are considered the key management personnel of the scheme. No emoluments of any kind are received by the directors of the RE other than declared dividends on any shares in the RE that they may hold. The RE receives no remuneration except for the fees listed above. The Scheme does not employ personnel in its own right however the Responsible Entity does have three employees (2017: 3).

### c. Transactions With Related Parties

There were no transactions with Related Parties during the year ended 30 June 2018, other than investments held by Directors and Director Related Entities which were conducted on the same terms and conditions as all other investors in the Fund.

### d. Directors Interests In The Fund

<b>Total Investments Held At Year End</b>	<b>1,137,718</b>	<b>1,713,728</b>

### e. Loans To Directors

There were no loans to Directors or Director Related Entities from the Murdoch Clarke Mortgage Fund as at 30th June 2018 or during the year then ended.

All related party transactions are conducted on normal commercial terms and conditions.

## 12. Financial Reporting By Segments

The Fund operates in one business segment, being investment activities. The Fund also operates from one geographical location being Tasmania, from where its investing activities are managed.

## 13. Subsequent Events

Since 30 June 2018 there has not been any matter or circumstance not otherwise dealt with in the financial report that has significantly affected or may significantly affect the Fund.

## 14. Financial Instruments

### Overview

The Fund's assets principally consist of financial instruments which comprise non quoted fixed interest investments and loans secured by first mortgage. It holds these assets at the discretion of the Responsible Entity in accordance with its investment strategy. The objective of these investments is to provide relatively secure investments together with a competitive return of income.

The allocation of assets as between the various types of financial instruments is determined by the Responsible Entity which manages the Fund's portfolio of assets to achieve the Fund's investment objectives. The composition of the portfolio is monitored by the Responsible Entity on a daily basis.

The Fund's investing activities expose it to the following risks from its use of financial instruments:

- Market Risk
- Credit Risk
- Liquidity Risk

The nature and extent of the financial instruments employed by the Fund are discussed below. This note presents

information about the Fund's exposure to each of the above risks and the Fund's objectives, policies and processes for measuring and managing risk.

The Board of Directors of the Responsible Entity has overall responsibility for the establishment and oversight of the Fund's risk management framework.

The Board has established a Management Committee which is responsible for developing and monitoring the Fund's risk management policies, including those related to its investment activities.

The Management Committee meets regularly, usually weekly, to monitor the Fund's asset allocation and performance as well as review loan applications and attend to the management of the Fund generally.

### a. Market Risk

Market Risk represents the risk that a financial instrument's value will fluctuate as a result of changes in market prices such as foreign exchange rates (currency risk), interest rates (interest rate risk), and property values (property market price risk). The Fund is not exposed to currency risk as all financial instruments are held in Australian Dollars.

#### (i) Interest Rate Risk

Interest rate risk is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates.

The majority of the Fund's financial assets are held in interest bearing assets that are expected to mature within twelve months or in financial assets that reset to the prevalent market interest rate on a monthly or quarterly basis. As a result the Fund is subject to limited exposure to interest rate risk due to fluctuations in the prevailing levels of market interest rates.

The Fund's interest rate risk is managed continuously in accordance with policies and procedures in place by:

- ensuring the Fund has an asset allocation that provides for the effective management of interest rate and associated liquidity risk,
- the approach to managing investment of funds to ensure that there is adequate matching of the duration of assets with the likely duration of investors' funds, and
- monitoring the effect upon yield and liquidity of probable movements in interest rates.

The Fund's exposure to interest rate risk is depicted in the tables on pages 17 and 18.

### Interest Rate Sensitivity

An increase of 25 basis points in interest rates for the distribution period ending on the reporting date would have increased the amount available for distribution by \$116,266 (2017: \$94,721). A decrease of 25 basis points would have had an equal but opposite effect.

## 14. Financial Instruments Continued

### (ii) *Property Market Price Risk*

Property market price risk is the risk that adverse movements in the market value of a property could result in financial loss to the Fund.

The objective of property market price risk management is to ensure that movements in the market value of individual properties mortgaged to the Fund do not result in financial loss to the Fund in the event of default by the borrower.

The Responsible Entity manages property market price risk by strict application of the Mortgage Lending Policy, which forms part of its investment policies. The maximum thresholds for loan to valuation ratios stipulated in the Mortgage Lending Policy are the principal mode of property market price risk management.

The Responsible Entity continually monitors general property market price trends and activity as well as local issues affecting specific geographical areas.

The Fund's cash assets are invested with Australian Authorised Deposit-taking Institutions approved by the Responsible Entity in accordance with the Fund's investment strategy.

### c. *Liquidity and Cash Flow Risk*

Liquidity risk is the risk that the Fund will not be able to meet its financial obligations as they fall due. The Fund's approach to managing liquidity risk is to ensure that it will have sufficient liquidity to meet its liabilities as and when they fall due. The Fund's liquidity risk is managed on a daily basis in accordance with the Investment Policy.

### b. *Credit Risk*

Credit risk represents the risk that a counter-party will fail to perform contractual obligations under a contract.

The Fund's maximum credit risk exposure at balance date in relation to each class of recognised financial assets, is the carrying amount of those assets as indicated in the Balance Sheet. Credit risk exposure for receivables reflects the underlying credit risk inherent in the Fund.

These risks are managed through the credit policies implemented by the fund. There is no concentration of credit risk in any particular industry or market segment; however all but a few mortgaged properties are within the State of Tasmania.

## Independent auditors report to the members of Murdoch Clarke Mortgage Fund

### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of Murdoch Clarke Mortgage Fund (the Fund), which comprises the statement of financial position as at 30 June 2018, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Murdoch Clarke Mortgage Fund is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Fund's financial position as at 30 June 2018 and of its financial performance for the year then ended; and
- (b) complying with *Australian Accounting Standards* and the *Corporations Regulations 2001*.

#### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Fund, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Information

The directors are responsible for the other information. The other information comprises the information included in the Fund's annual report for the year ended 30 June 2018, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of the Directors for the Financial Report

The directors of the Fund are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the financial report. We are responsible for direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
